2025 Annual General Meeting and Conference

March 26-28 2025 Montreal, Canada

Preliminary Programme

DAY 1 March 26 2025 (Plaza Centre-Ville, 777 Robert-Bourassa)

14:00-15:00	Welcome and Opening		
	Jan Pie, Secretary General, ASD and Chair, ICCAIA		
	Alain Sans Cartier, Deputy Minister of International Relations and Francophonie, Québec Government		
	Stephane Paquet, President & CEO, Montréal International		
15:00-15:30	Keynote Presentations		
	Salvatore Sciacchitano, President of the Council, ICAO		
15:30-16:00	Coffee Break Sponsored by Pratt & Whitney	Pratt & Whitney An RTX Business	
16:00-16:30	Economic Outlook		
	This session will provide a briefing on the latest Benefits Beyond Borders Report from the Air Transport Action Group, demonstrating the economic and social benefits of aviation, alongside presentations from leading OEMs on the market outlook and forecast for the aerospace industry.		
	Panelists		
	Haldane Dodd, Executive Director, ATAG		
	Bertrand de Lacombe, Head of Regulatory and External Engagement, Airbus		
	Mildred Troegeler, Executive liaison to the ICAO & Director of Global Regulatory Strategy, Boeing		
16:30—18:00	Leaders Forum		
	The leaders forum will bring together C-level speakers from the aerospace industry to discuss the current and future opportunities and challenges facing the industry, as well as providing an opportunity to engage with the ICAO Council.		
	Panelists		
	Julie Kitcher, Chief Sustainability Officer and Communications, Airbus		
	Brian Moran, Chief Sustainability Officer, Boeing		
	Rui Pedro Silva, Vice President – Engineering Functions, Research and Technology, Bombardier		
	Christine Andrews, Future of Flight Executive, GE Aerospace		
	Graham Webb, Chief Sustainability Officer, Pratt & Whitney		
	TBC, Embraer		
18:30-21:00	Cocktail Reception and Gala Dinner Sponsored by Airbus	AIRRUG	
	Venue: 1001 Allied Building, 1001 Robert-Bourassa Boulevard	AIRBUS	

Preliminary Programme

DAY 2 March 27 2025 (Plaza Centre-Ville, 777 Robert-Bourassa)

08:00-08:30	Early Networking Coffee Break Sponsored by Pratt & Whitney An RTX Business Pratt & Whitney
08:30-09:15	ICCAIA Annual General Meeting
	2024 Annual Report
	 Financial reports Appointment of the Board of Directors and Accountant
09:15-09:30	Break
09:30—10:30	Cross-Industry Panel on non-CO ₂
	This panel will bring together representatives from international industry organizations to discuss the impacts of and potential approaches to non-CO ₂ .
	Panelists
	Carlos Cirilo, Director ICAO Affairs, CANSO
	Claude Hurley, Director of Environment & Flight Operations, IBAC
	Jennifer Desharnais, Senior Director of Environmental Protection & Sustainability, ACI World
	Olivier Husse, Senior Director—Regulatory and External Engagement Worlwide, Airbus (CSO Office) and ICCAIA ANEC Chair
	Ruby Sayyed, Global Head of Air Traffic Management, IATA
	Valerie Guenon, VP Products Environment Strategy, Safran Aircraft Engines
	Moderator: Annick Goulet, Permanent Representative of Canada to ICAO
10:30-11:00	Fireside Chat—Workforce
	Leaders involved in initiatives addressing future workforce issues will discuss strategies and programmes to attract, develop and retain a strong and diverse skilled workforce.
	Panelists
	Mohammad Salem, UAE Alternate Representative to ICAO
	Suzanne Acton-Gervais, VP Stakeholder Relations and Regulatory Affairs, National Airlines Council of Canada
	Moderator: Fiona Hau, Head of Aviation Safety & Skills of the UK Dep. for Transport and Vice-Chair of GAAST
11:00-12:20	Industry Priorities
	Experts from industry will present their priorities for the future, including automation and autonomy, connectivity, airspace and cybersecurity with a view towards the 2025 ICAO General Assembly and beyond. Panelists
	Ash Owen, Head of Future Technology, Rolls-Royce
	David Jones, Managing Director, Malaysia Aerospace Industry Association (MAIA)
	Keith Candline, Chief Airworthiness Engineer, Gulfstream
	Scott Roesch, Sr. Director Program Management, Honeywell
	Moderator: Christian Schleifer, Representative of Austria and the ABIS group at the ICAO Council
12:20-12:45	Keynote and Closing
	Juan Carlos Salazar, Secretary General, ICAO

Preliminary Programme

DAY 3 March 28 2025 - Optional Workshops (IATA Offices, 800 Square-Victoria)

With rapid innovation, introduction of new technologies and increasing pressure on resources, safety must remain the top priority for the industry. In this workshop, we will discuss how industry can engage regionally to support safety initiatives, and explore how safety management is dealt with in a range of different organizations. Speakers David Jones, Managing Director, Malaysia Aerospace Industry Association (MAIA) David Zwegers, Director Global Safety Strategy, Boeing Frederic Eychenne, Senior Director Regulations and Policies, Airbus Joanne Diamant, Chief Engineer & Senior Fellow, Airworthiness & Certification, Pratt & Whitney Canada Michele Merkle, Director of the Air Navigation Bureau, ICAO Moderator: Dorothy Reimold, Vice President for Civil Aviation, Aerospace Industries Association (AIA) 10:30–10:45 Advanced Air Mobility Roundtable This roundtable session will take a look at what's needed to support the smooth integration of advanced air mobility into the aviation system, including certification for vehicles and pilots, traffic planning and management and flight operations. Speakers Erick Corona, Director, Airspace Operational Integration, Wisk Ryan Naru, Aviation Policy and Regulatory Affairs Lead, Joby Aviation 11:45-12:00 Break 12:00-12:30 Talk—GNSS Interference Drawing on the AN-Conf/14 SkyTalks, a briefing on GNSS RFI will be presented, including an analysis of the current situation, long and short term approaches and mitigations. Speakers Claude Pichavant, Executive Expert Communication, Navigation, Surveillance, Airbus Ruby Sayyed, Global Head of ATM, IATA
